

Owner Occupied Home Repair Loan Program Information

Habitat for Humanity Menominee River has several programs for owner occupied home repair. These repairs can include exterior home repair, wheel chair ramps, exterior painting/staining, or critical home repair. You must have lived in your home for at least 12 months to qualify, the home must be your primary residence and you must live in our service area (Dickinson and Iron Counties in Michigan and surrounding Wisconsin communities). If you would like to know if the needed repairs fit our program guidelines, please call the Habitat office at (906) 779-5377.

Income Limits: Habitat for Humanity serves low-income families: the total household income needs to be at or below 60% AMI. The income limits are listed below.

Family Size	Household Income Limit – Dickinson County	Household Income Limit – Iron County
1	\$30,300	\$30,060
2	\$34,620	\$34,320
3	\$38,940	\$38,640
4	\$43,260	\$42,900
5	\$46,740	\$46,380
6	\$50,220	\$49,800

Sweat Equity: Sweat equity is a requirement of Habitat owner occupied home repair projects. The amount of sweat equity is determined by the size of the project. Sweat equity is volunteer hours donated to the affiliate, working on the repair project. If you are physically unable to work on your home repair project, then you can perform sweat equity hours in the ReStore, in the office, or a family member can perform your construction sweat equity. The sweat equity plan needs to be approved by the Habitat office.

Required Information: This information will be evaluated with the application.

- Proof of homeowner’s insurance
- Copy of deed showing homeownership
- Proof of income (most recent two months of pay stubs, documentation of all forms of income (including government))
- Proof of paid taxes
- DD214 if you are veteran
- Military Service Connected Disability Rating Letter, if applicable

Home Inspection: Once the application is complete, and the project meets the Habitat guidelines, the Habitat office will then perform a home inspection and create a Scope of Work (SOW).

Repayment: All of our home repair programs require the homeowner to repay the funds. There will be a promissory note for the amount of the repairs (materials). This needs to be signed before work starts on the house. The loan period will be determined based on your ability to pay. The monthly loan payments are due by the 10th of each month. There is a \$5.00 late fee if the payment is after the 10th.
