### Sorny's Crane Service, Inc. Donates to Habitat for Humanity

Sorny's Crane Service, Inc., owned by Craig Sorenson of Aurora, WI, has helped Habitat for Humanity set roof trusses on new construction homes for the past 16 years. The most recent roof was this past Tuesday, October 4, 2016 at W4656 Main Street in Vulcan, MI. "Sorny's Crane Service, Inc. has been instrumental in helping our volunteer construction crew to set the roof trusses on our homes in a safe and timely manner. We appreciate all that Craig Sorenson has done for Habitat for Humanity", said Nancy Pellegrini, Executive Director for Habitat for Humanity Menominee River.

**Sorny's Crane Service, Inc.** has been in operation for 20 years. Craig Sorenson believes in giving back to the community and helps where he sees a need.

**Habitat for Humanity Menominee River** is a faith-based Christian nonprofit housing ministry. We believe in helping our neighbor by giving a hand up... not a hand out. There are three components to Habitat for Humanity—partner families, volunteers, and donors. All three are needed to successfully accomplish our goal of eliminating substandard housing in our community. We offer three programs—home ownership, neighborhood revitalization, and the Habitat ReStore. Locally, the Menominee River Affiliate has housed over 40 families since our beginning in 1994. Our homes are Energy Star certified, which results in lower utility bills for our families. We also build to green building standards. Three of our recent homes were rehabs of donated houses. Partner families purchase their home with an affordable mortgage. The money from the mortgage payments is used by the affiliate to construct or renovate additional affordable housing as well as in our neighborhood revitalization program.
