

June 6, 2018

Habitat for Humanity Menominee River is currently planning our Third Annual “Run for the Walls” 5K road race. This event will be held on Saturday, August 11, 2018, and will start and finish at Lodal Park in Kingsford. The 5K route will go past 5 Habitat homes. All proceeds from the event stay in Dickinson County and will be used to support Habitat’s mission of building communities where everyone has a decent place to live.

By participating as a sponsor, your organization will benefit through media campaigns and your logo will be on our race t-shirts. Our sponsor levels are:

Foundation Sponsor - \$1,500

Roof Truss Sponsor - \$1,000

Wall Sponsor - \$500

It is an exciting time for the local Habitat for Humanity affiliate, as plans for 2018 include housing for two families as well as repairs to 20 owner-occupied homes. These repairs include both critical repairs (furnace replacement, water heater replacement, septic system replacement) and minor repairs (wheelchair ramps, exterior painting, siding replacement, door replacement and window replacement). Our housing and repair programs serve low income families.

Habitat for Humanity forms a partnership with the families it serves, touching many lives in the process. This is possible because volunteers and supporters of all ages work together in partnership with God to build decent, simple homes for families in need.

Please return your sponsorship commitment form to the Habitat Office or fax it to 906-779-5063. Thank you in advance for your willingness to support the efforts of Habitat for Humanity Menominee River and make a difference in our community.

Thank You,

Kathy Kulas
